

The JUMP Experience

The Customized JUMP Experience is an interactive program for groups to sample the best elements of JUMP. Each "Experience" is specially planned based on size, time of year, and age(s) of guests to ensure optimal enjoyment. Choose from a menu of unique activities that challenge participants to take a risk, expand their imagination, and share lots of laughs while exploring the JUMP rooms and spaces. If weather permits, a trip to the JUMP Park promises to get everyone's adrenaline running. Whether it's a ride down the 5-story Spiral Slide, or by reaching the top of our 3-story Climber, or running through The Mister, the Park ignites a playful spirit in all. Customized JUMP Experiences can be scheduled for groups of 10 to 30 with variable costs, and is designed to last from 1.5- 2 hours.

Please carefully read, review and sign the attached JUMP Experience Request Form. Once completed, submit the form to ahnna.dudley@jumpboise.org.

For an organization to be considered for a JUMP Experience, a request must be submitted 30 days in advance.

Please understand that we make every effort to accommodate as many requests as possible, however due to the number of requests we receive, we are unable to accommodate all requests.
