

JUMP Camps

Play is crucial to development, to happiness, to empathy, to creativity, to connectedness, to reducing stress, oh and it is just fun. So come play with us in these studio-inspired day camps. Along with a central activity there will be much explorative and creative play time in our unique spaces like the Nest, Deep Tinker, Taste Buds, Showtime, Flutter Foot and the Slide Zone. Ages 10-14.

Cost: \$50, including take homes. JUMP will provide food and we will collectively make our own lunch/snacks to learn healthy habits and get culinarily creative! A variety of food will be available so kids can build meals, with a little help, that accommodate their dietary restrictions. Please feel free to reach out to programs@jumpboise.org with any further questions.

CULINARY CREATIVITY

[Wednesday, June 13th, 9:00AM - 4:00PM](#)
[Wednesday, July 11th, 9:00AM - 4:00PM](#)

Activities involve: making a solar oven to bake a fruity dessert (and take home for future culinary adventures), and learning basic culinary skills to make Vietnamese inspired summer rolls with two types of dipping sauces.

LIGHTS, CAMERA, ACTION!

[Wednesday, June 20th, 9:00AM - 4:00PM](#)

Activities involve: developing filming groups with directors, producers and actors, rehearsing a script, creating props and filming their own mini-movie.

SUPERHERO SHOWDOWN

[Wednesday, June 27th 9:00AM - 4:00PM](#)
[Wednesday, July 18th 9:00AM - 4:00PM](#)

Activities involve: superhero costume making and superhero slogan videos, comic book coloring creativity and choreographed fight scenes culminating in a mini action-film screening.

A BEAUTIFUL DAY IN THIS NEIGHBORHOOD

[Wednesday, July 25th, 9:00AM - 4:00PM](#)
[Wednesday, August 8th, 9:00AM - 4:00PM](#)

Activities involve: seed bomb creation and birdhouse making with deeper instruction on what birds and plants live in our beautiful neighborhood. Our little makers will take their bird houses home and have a local field trip exploring our neighborhood.

STOP MOTION DIRECTOR

[Wednesday, August 1st, 9:00AM - 4:00PM](#)

Activities involve: working in groups to design and create sets, develop storylines, and film their own stop motion film and have a culminating screening of their final creation.

Only 14 spaces available, register at jumpboise.org/class-listings or click on class date.
